* Listeria monocytogenes - PCR	Negative	/25g	AOAC 2019.11	6/28/24	
* Salmonella spp. PCR	Negative	/25g	AOAC 2020.02	6/28/24	

Results reported herein are preliminary and reflect only data available at the time of issuance. Final results will be issued on a separate Certificate of Analysis when analysis is complete. This report may not be distributed or reproduced except in full. Client shall not at any time misrepresent the content of this report. These results are intended for use by persons having professional skill and training in the interpretation of testing results. Mérieux NutriSciences assumes no responsibility, and you hereby waive all claims against Mérieux NutriSciences, for interpretation of such results. Any action taken by your company based on preliminary results is at your own risk. If statements of conformity to client-provided or regulatory specifications are made in this report, measurement of uncertainty has not been taken into account, except when requested by the client. While Mérieux NutriSciences reviews all results exceeding client specifications, the client is responsible for the compliance of its product and determining whether the results meet acceptance or other criteria. To the extent practicable, your company will give notice to, and consult with, Mérieux NutriSciences prior to implementing a withdrawal or recall of products based on any testing results. Except as otherwise stated, Mérieux NutriSciences Terms and Conditions for Services apply.
